CORAM: F.I. REBELLO &
ANOOP V. MOHTA, JJ.

DATED: 19TH APRIL, 2006

P.C. :

. From the record it appears that there was a structure bearing No.11 which has been allotted in favour of respondent No.6. Petitioner contends that he is entitled to another structure bearing No.11A and for that purpose, relies on the Affidavit of respondent No.6. There is no documentary evidence in support of the petitioner's contention that there was a structure bearing No.11A. Both the authorities have considered the matter and have rejected the petitioner's claim.

2. We find no case for interference. Petition rejected.
